Fall 2015

Dear Fellow Residents:

I am proud to present the ninth edition of the **Town of Huntington's Volunteer Resource Guide**. This guide is a compilation of various community groups, hospitals, libraries, environmental organizations and other not-for-profits throughout the Town of Huntington that are in need of volunteers. It is updated annually to keep the information current.

From the high school student looking for an after-school opportunity to the senior citizen who has some time to share, this Guide provides a service to both our Town's residents and its many organizations. Our residents are among the most active, dedicated and passionate volunteers on Long Island. It is my hope that this guide will help to serve as a bridge between potential volunteers and the multitude of organizations that are volunteer-driven right here in Huntington.

Please join me in discovering the many not-for-profit entities that can be found in our Town. This Guide is a treasure trove of wonderful organizations and I wish you all the great rewards that will surely follow volunteering for one or more of them.

If I can be of any assistance, my door is always open. I can be reached in Huntington Town Hall at (631) 351-3173.

Very truly yours,

A handwritten signature in blue ink that reads 'Susan A. Berland'.

Susan A. Berland
COUNCILWOMAN

PS: The organizations listed in this guide were compiled from a questionnaire distributed through my office. If your organization is not listed in this edition but would like to be included in a future Guide, please send me your organization's mailing information.
